- ✓ **Comprehensive Support:** Full suite of services to support all aspects of your business.

## What We Do?

At Al Sakr & Co. Corporate Services LLC, we provide a comprehensive range of services designed to support and enhance your business operations. Our offerings include:

- ✓ **Strategic Guidance:** We offer expert advice to help businesses enhance their operations, streamline processes, and achieve their growth objectives.
- ✓ **Legal Support:** We ensure businesses navigate legal complexities with confidence, providing comprehensive legal advice, drafting contracts, and managing risk.
- ✓ **Market Insights:** We conduct thorough market research and analysis to identify opportunities and develop strategies that drive business success.

# Our Services

## Management Consulting

We offer strategic advice to enhance your business operations, focusing on improving efficiency and achieving growth targets. Our approach includes in-depth analysis and customized solutions tailored to your specific needs.

## Legal Consulting

Our legal team provides expert guidance on compliance, risk management, and corporate governance. We handle drafting and reviewing contracts, advising on legal strategies, and representing clients in negotiations and disputes.

## Commercial Consulting

We assist with market research and analysis to identify new business opportunities. Our services include developing commercial strategies, advising on pricing, and providing support for market entry and expansion plans.

## Business Development Consulting

We help identify new market opportunities and assess their potential. Our services include building and maintaining relationships with key stakeholders, developing and executing business development plans, and advising on market entry strategies and partnerships.

### **PRO Services** (Public Relations Officer Services)

We offer strategic advice to enhance your business operations, focusing on improving efficiency and achieving growth targets. Our approach includes in-depth analysis and customized solutions tailored to your specific needs.

### **Tax and VAT Consulting**

We offer guidance on tax planning and optimization strategies, prepare and file tax returns and VAT reports, and ensure compliance with local and international tax regulations.

### **Accounting**

Our accounting services cover maintaining accurate financial records, preparing financial statements, conducting internal audits, and providing financial analysis and budgeting advice to support sound financial management.

### **HR Consulting**

Our HR consulting services include developing and implementing HR policies and procedures, advising on recruitment and employee relations, managing performance, and ensuring compliance with labor laws.

## Administrative Structure

**Executive Management:** Oversees the company's strategic goals and overall operations, including key decision-making roles like CEO and COO.

**Operational Departments:** Includes specialized units such as finance, marketing, HR, and legal, responsible for daily business functions and managed by directors or managers.

**Support Services:** Provides essential support functions like IT, facilities management, and customer service to ensure smooth business operations.

## Marketing Analysis

**Market Research:** Analyzes market trends and customer data to guide strategy and identify opportunities..

**Customer Segmentation:** Identifies distinct customer groups based on demographics, behaviors, and needs to tailor marketing efforts and improve targeting effectiveness.

**Support Services:** Assesses marketing effectiveness by tracking key performance indicators such as return on investment (ROI), conversion rates, and customer acquisition costs, enabling informed decision-making and strategy adjustments.

### Administrative Structure

Establish a well-organized administrative system to ensure smooth daily operations. This includes defining roles and responsibilities, setting up communication channels, and implementing efficient project management tools.

### The Marketing Analysis

Develop a comprehensive marketing strategy to build brand awareness. Focus on digital marketing, including a website launch, social media presence, and search engine optimization (SEO) to attract clients and establish a strong online presence.

# Business Setup

01

## Company Formation

Select and register the legal structure of the business, obtain necessary licenses and permits.

02

## Location and Office Setup

Secure suitable premises and establish office infrastructure.

03

## Legal and Compliance

Ensure adherence to local regulations, including legal documentation and regulatory filings.

04

## Financial and Banking Setup

Establish corporate bank accounts, set up accounting systems, and plan for financial management.

05

## Tax Registration

Register for applicable taxes, including VAT and other relevant tax obligations.

06

## HR and Recruitment

Develop HR policies, recruit initial staff, and set up employee management systems.

07

## Marketing and Branding

Create brand identity and marketing strategies to establish market presence.

08

## Operational Processes

Implement business processes and systems for efficient operations.

09

## Advisory and Strategic Planning

Seek strategic advice on business development and long-term planning.

# Business Planning

## ■ Business Goals and Objectives

Define clear, achievable goals and objectives for the short-term and long-term.

## ■ Strategic Planning

Develop a strategic plan outlining the business's mission, vision, and approach to achieving goals.

## ■ Market Analysis

Conduct research to understand market conditions, competition, and customer needs.

## ■ Financial Planning

Create detailed financial forecasts, including budgets, projections, and funding requirements.

## ■ Operational Plan

Outline the operational processes, resource allocation, and management strategies needed to run the business.
